# PRAYER FOCUS

Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms. If anyone speaks, they should do so as one who speaks the very words of God. If anyone serves, they should do so with the strength God provides, so that in all things God may be praised through Jesus Christ. To him be the glory and the power for ever and ever. Amen.

# MESSAGE

REV RAYMOND FONG, *PASTOR-IN-CHARGE*  
AND ALVIN TAY, *CHAIRPERSON, LOCAL CHURCH EXECUTIVE COMMITTEE*

Dear Wesleyans

## SACRIFICIAL SERVICE: TAKE THE NEXT STEP!

Every weekend, hundreds of volunteers will be needed in Church to work alongside pastors and staff at the various worship services. Some will serve as worship leaders, singers, guitarists, violinists, organists, prayer intercessors, ushers and communion stewards. Others will serve as mentors or teachers to our young ones. Yet others will serve behind the scenes, manning the logistics and refreshments and ensuring all systems are ready to go live. The list goes on.

Yes, we need volunteers to fill these positions. We need YOU!

### **Even Jesus came to serve**

Serving others, whether in church, the marketplace or the mission fields, is one key facet of our discipleship and Christian life. Our Lord Jesus "did not come to be served, but to serve, and to give his life as a ransom for many" (Matthew 20:28). We are called to follow the example of our Lord. This is why one of the five faith environments of the Wesley Discipleship Model, C-O-R-D-S, is S for 'Sacrificial Service'.

The Apostle Paul also reminded us in Ephesians 2:10 (ESV) that "we are his workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them."

We are God's masterpieces, each and every one of us. We are created for God's good works or purposes and His glory!

### **Each of us has our own spiritual gift from God**

Some of you may ask why God would call you when you have nothing to offer. The Biblical truth is all of us are blessed with spiritual gifts to serve the Body of Christ!

The Apostle Paul wrote in 1 Corinthians 7:7 (NIV): "But **each of you** has your own gift from God; one has this gift, another has that."

And further down in 1 Corinthians 12:7-11, he adds: "Now **to each one the manifestation of the Spirit is given for the common good**. To one there is given through the Spirit a message of wisdom, to another a message of knowledge by means of the same Spirit, to another faith by the same Spirit, to another gifts of healing by that one Spirit, to another miraculous powers, to another prophecy, to another distinguishing between spirits, to another speaking in different kinds of tongues, and to still another the interpretation of tongues. All these are the work of one and the same Spirit, and he distributes them to each one, just as he determines."

Finally, in Romans 12:6, Paul wrote: "We have different gifts, according to the grace given to **each of us.**" (*emphasis ours*).

Note the words "each one" or "each of us". Each and every one of us has a spiritual gift from God, and we are to use it for the common good. No gift is too small. Each gift is unique. Each one of us is uniquely a part of the Body of Christ. No one can take your unique place. So we urge you to discover and exercise your gift so that the Body of Christ will be blessed.

### **It's about our availability, not our ability**

As we volunteer to serve, we will soon realise that it is not about our abilities but God's enabling power in and through us. As our Lord Jesus said in John 15:5: "I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing."

We need the empowering of the Holy Spirit when we serve. When God calls, he does not just look at our ability; he looks first at our availability. God is asking if we are first willing, not if we are able: "Just do the best with whatever gifts God has blessed you with, and let God do the rest. God can do much through people like us who willingly turn ourselves and whatever gifts we have to serve him".

This is why serving the Lord in Wesley will be your discipleship journey. You will experience the power of God using your availability to multiply your ability, your five loaves and two fishes, offered to God to be a blessing to others.

### **Take the Next Step!**

Will you take the next step to serve the Church together as brothers- and sisters-in-Christ? Let's serve the Body of Christ at Wesley. As we are blessed, let's be a blessing!

Will you join me for this journey? Sign up as a Volunteer today! ■

# HEAR FROM OUR VOLUNTEERS

## **SHIRLEY YENG, Volunteer in Children's Ministry**

I have been serving in the Children's Ministry (CM) for 20 years, in the nursery age group for 3- to 4-year-olds. What keeps me going is genuinely God's presence and guidance. It would be a lie to say that I am enthusiastic every Sunday, coming to CM, ready to serve in the best spirit-filled attitude. I want to take this opportunity to share that I can persevere in helping at CM only with God's grace and mercy. The encouragement from the children - their smiles, prayers for my fellow teachers and me, and singing the songs we teach to worship the Lord at home - is what sustains me. With God on our side, it is never about how capable we are as volunteers. It is about our availability and willingness to work alongside others as a Body of Christ. God is my Greatest Enabler! I love serving in CM because God says let the little children come to Him! It is so vital to let them know God from a young age.

## **AILEEN CHIN, Volunteer in Small Group Ministry and Youth and Young Adult Ministry**

I serve in the Small Group Ministry, Youth and Young Adult Ministry Worship Teams. I believe we are called to commit our time and God-given gifts in service to wherever God leads. Serving has been integral in my discipleship journey. It allows me to experience God through worship and community; I am thankful to have forged spiritual friendships through serving in Church. Serving has constantly revealed ways to love God and His kingdom.

## **DESMOND YIONG, Volunteer in Christian Outreach and Social Concerns**

I have been volunteering regularly for two years for Christian Outreach and Social Concerns (COSC) projects. In addition to being the treasurer at COSC, my role is to stay connected with various community groups, especially the community leaders at Jalan Berseh. Over time, I have made friends with my team in Jalan Berseh. I really enjoy serving as a volunteer because a smile from the residents is enough to give me the joy of serving. This is my way of serving God and my community.

## **JOHN LAU, Volunteer in the Audio Video Centre (Discipleship & Nurture Ministry)**

Inspired by Mr Foo Chee Min, who was very encouraging and patient with me, I first joined the Audio Video Centre about 15 years ago. When I became a member of the congregation at Wesley, I felt that if we wanted our Church to be a beacon on the hill, we must do our part, however small, to keep the lamp burning. Serving is one way to help keep my lamp burning.

## **WILLIAM AND JEAN LIM, Volunteer in the Audio Video Centre (Discipleship & Nurture Ministry)**

Upon completing our WMC membership class in 1989, the class organisers provided us with some information on various opportunities to serve in Church. We reviewed the information and felt led by the Holy Spirit to join the Audio Video (AV) Centre, and as they say, the rest is history. Over the years, the AV Centre has been blessed with numerous faithful leaders and volunteers. We believe that our service is only possible by the grace of God, and may He hold all the glory! We will continue to serve in this ministry so long as the church members find these resources helpful in their walk with Christ.

**JACOB WONG, Volunteer in Prayer & Praise Ministry**

I wanted to bless others with the time and talents God has blessed me with. Since I was trained in videography, I am happy I could use this area to serve Him in Church. I responded to the call to action when I heard that the Church would require volunteers during the Christmas outreach event in 2019. Since then, I have been volunteering most Sundays for two years now in the Church Audio Video team.

**EILEEN CHUA, Volunteer in Prayer & Praise Ministry**

I have volunteered with the Prayer & Praise Welcome and Technical teams since 2017. Although I do not have any special hospitality skills or prior experience, greeting churchgoers and managing the flow of service is something I picked up and learned on the job. It was also made easy with the support of my fellow warm and friendly team members! Serving has brought about a new aspect of my relationship with God. There are many ways to care for His flock - pick one ministry and start today!

**PETER CHOW, Volunteer in Worship & Music Ministry**

We can serve God no matter how young or old we are. I have served as an usher at traditional services since the early 1980s when our sanctuary was under renovation, and we had to worship temporarily at the MGS campus on Mt. Sophia. During that time, after the services, I would just help to collect the hymnals and Bibles, put them back in the storage racks, and help tidy up the hall. One day, the late Mr Wong Tien Poh, our chief usher for many years, approached me and invited me to be an usher. That started my ministry as an usher until today. All praise and glory to God for giving me the grace of good health to serve Him for over 40 years.

**PAULINE WONG, Volunteer in Prayer and Praise Ministry**

I love volunteering in Church and am currently serving as a vocalist, sound team member and camera team member. In 2012,

I answered the call to serve in my Church in my hometown. But I did not act on it until I began to attend Wesley's church service in 2016 with another explicit confirmation from God to serve the community. I started off volunteering in music ministry as a vocalist. Two years later, I joined Cathay's sound crew and appreciated the experienced volunteers' technical guidance. When Covid 19 hit, the P&P ministry formed a new video streaming team which I am subsequently involved in. It is indeed a joy to bless the community! It also allowed me to learn something new. Through volunteering, I realised that God honours my "yes" to Him, and He will equip me.

**NG SWEE MUN, Volunteer in Glowing Years Ministry and Children's Ministry**

I have volunteered at Wesley Methodist Church since 2018 in befriending and supporting seniors. With the seniors, I have been volunteering to spend time with them. I sit with them, listening to their life stories and current experiences. I fellowship with the seniors and also my fellow volunteers, and it is always a joy for me to hear of God's grace and mercy in their stories. As a volunteer, I listen to the life stories of others, and at the same time, I also share tears and laughter with them. I also volunteer with the JCKINDERS at the 11.30 am Children's Ministry. It brings me great joy to be with children, especially those in the nursery, whether in person or over Zoom—the joy of being with people of all ages when volunteering is just indescribable.

**HENRY LIM, Volunteer in the Communications Ministry**

Although I am 77 years old, I continue to serve because I believe there is no age limit to serving. I have been volunteering regularly as a photographer for the past 15 years at Wesley Methodist Church with the Communications Ministry. My responsibilities involve taking pictures and recording videos at special Church events such as Church camps and regular services. I have also started an informal group of photographers whom I would contact to take pictures or videos at our Church events, whenever

## HEAR FROM OUR VOLUNTEERS

required. Currently, I am serving as a lead photographer in the Communications Ministry. I enjoy both photography and videography and am happy I could use my interests to serve in Church. Anyone can volunteer at any age, as God is the one who will equip us and will meet us where we are.

### **CHENG KANG LIM, Volunteer in the AV Team (Worship & Music Ministry)**

Since 1998, I have been serving weekly as an AV team member in the AV room in the sanctuary. I started serving at the 5 pm service when my children were with the afternoon Children's Ministry and moved to help at the 9.30 am service later when my children attended Youth Ministry in the morning. My responsibilities are handling the cameras for video and synchronising the PowerPoint presentations during the sermon time to ensure it is well projected on the sanctuary screens during the service. I enjoy serving in the AV team as it is my passion to handle technical AV equipment. Over the last 24 years, I have also made many good friends with fellow volunteers in the sound room and the technical staff team. This is also why I have not stopped helping the AV team. It is also my way of serving the Lord and my fellow brothers and sisters in Church.

### **CLAIRE NG, Volunteer in the Communications Ministry**

I help out in the Communications Ministry as a writer or content producer. It is a lean team, so we help in different areas, such as events and other comms channels, where required. It is my way of serving God and our Church. As Communications spans multiple ministries, our contributions foster a sense of community at Wesley through highlighting events, sharing stories and spreading God's Word. I derive great satisfaction from contributing to helping the Wesley family and beyond connect with each other and draw closer to the Lord.

### **YEO SU CHEN, Volunteer in the Communications Ministry**

I started serving in Church after 10 years of coming to Wesley. Initially, I hesitated to commit because of my family responsibilities and work obligations. I began by helping – most times irregularly and occasionally reluctantly - as a minder for kids at special events such as the One Christmas at Suntek, as a Choir member and as a sermon notes writer. Sometimes, I would help my friends who roped me in to sell books at Church after services. Gradually, as my three kids grew up, I was able to reprioritise and adjust my time. It did not matter to me where I served as long as that was where God would want me to help my community and where I could serve joyfully.

The Lord has placed me in Communications Ministry for seven years now, and I am happily helping to craft and curate creative content that could point others to Him. I especially enjoy listening to and writing stories about our brothers and sisters because testimonies often lift, encourage, challenge and inspire. Serving in Church has been an incredible discipleship journey for me, as I learn to be patient, solve problems and resolve conflicts in love, submit to my leaders, and get along with others. Most importantly, I have learnt to surrender humbly to the Lord and lean on Him. As I serve, I am still learning to be attuned to and aligned with His will in my serving and not run ahead of Him.

### **PHILIP YUEN, Assistant Zone Leader and Small Group Leader (Small Group Ministry)**

I have much joy serving God as an Assistant Pastoral Care Leader for zone 11 and facilitating 12 Small Groups. I thank God for the opportunity to serve Him by starting and sustaining small groups, and for the avenues offered by Wesley's Pastors and Staff to serve a Risen Redeemer in these various ministries.

### **About Children's Ministry (CM)**

Jesus said, 'Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.' (Matthew 19:14). Jesus loves little children and honours them. Currently, the CM programmes are catered for children aged 18 months to 10 years old. We have three services and 57 classes, serving 776 children every Sunday in Church at Plaza Hall, basement rooms 3 and 4, and the level 3 Hall. Help us continue to carry the vision of nurturing the next generation of children. You do not need to be a parent or have prior experience working with children. We are looking for faithful volunteers who love Jesus and children and enjoy teaching children about God and the Bible in age-appropriate ways. Our volunteers play crucial roles in nurturing the love of God and supporting the children's disciple journey to be Jesus' followers at CM. ### About Discipleship & Nurture Ministry

The fundamental mission of the Discipleship & Nurture Ministry (D&N) is to equip individuals in their life-long journey of faith and also to enable them to develop their God-given talents for works of service in God's kingdom. At D&N, we have various discipleship and spiritual transformation courses for everyone in Wesley Methodist Church. At the same time, we also maintain a wide variety of resources for you to browse, borrow or buy at our Media Centres.

The Wesley Church Library holds a treasure trove of books for children, teens, and adults. Our volunteers love browsing the shelves not just to find books for themselves to read but are passionate about maintaining the tidiness of the library so that others can also enjoy the ambience of quiet peace in the library. We exist to serve a congregation hungry for wisdom in the Word. Open on Sundays from 8.30am to 1.15pm.

The Wesley Audio Video Centre started as a ministry to make available weekly sermon recordings for loans. Over the years, many other recordings have been added, including commercial resources like CDs and DVDs catering to all age groups ranging from children to adults.

In 1982, Wesley Book Store started as a tabletop Sale outside MGS Mt Sophia Hall during the Church's renovation. It was officially launched in 1984 and later renamed as BookNook.

Some 28 active volunteers look after various needs, such as Sunday Sales, stock take, ad hoc fairs or sales, etc. BookNook carries a wide variety of Christian books and stationery consigned from various vendors and is run solely by volunteers from Wesley's congregation.

# FREQUENTLY ASKED QUESTIONS

*"I am not sure why I keep considering serving these two months. Something tells me I must do a bit more."*

**Is God impressing upon your heart to volunteer and serve this season?**

*"I am not sure how much time I should commit to serving in Church."*

**Time management is important in our busy lives today. Reflect on your priorities and consider your schedule. Most importantly, seek the Lord's will for you in serving in Church.**

*"I am already busy with my work, family and my company's charity activities. But I still want to do something at Church. Should I still volunteer at Church?"*

**Again, time management is essential. So, consider how many hours a week/month/quarter/year you can volunteer. You may also consider ad hoc volunteer positions where you or you and your family can volunteer together. We also have short term and online volunteer opportunities available.**

*"I want to help. However, I currently hold two jobs to supplement my household income. Working hard is critical to me now."*

**Volunteering is not always easy. It takes up time and sometimes costs money. We need to drive or take public transport to Church, for example. Consider what you can manage, time and resources wise. What does God want you to prioritise this season? We can honour God in different ways.**

## FREQUENTLY ASKED QUESTIONS

---

*"I am not sure which ministry to volunteer with."*

**What experiences, hobbies, or technical, professional or soft skills do you have that you can use to contribute to the Church? Have you tried to find out through SHAPE? SHAPE is a workshop that helps participants find matching areas of service through the discovery of their Spiritual Gifts, Heart, Ability, Personality and Experience (SHAPE).**

**Scan to find out more:**

<https://wesleymc.org/dn/grow/i-want-to-be-a-disciple-of-christ/i-want-to-serve-god-and-serve-others>  
or email us at **commswesley@wesleymc.org** to chat with us.

*"I like to sing, but my friends do not like singing. They asked me to join them in AV instead, but I have tried AV in school and did not take to it. Should I still join AV?"*

**What are the areas of your interest/passion? Are you open to trying new experiences again even though you have tried them before and did not like them?**

*"I had never worked before since I left school 30 years ago. I feel very out of touch and am not sure what skills I have that I can use to contribute to the Church ministries."*

**Was there a friend you journeyed with when he was ill? What did you graduate with from school? Have you ever picked up a hobby and enjoyed it? Everyone has an experience, talent, and gift from the Lord that they can put to good use.**

*"I am an introvert and do not like to mingle much. But I would like to serve in Church."*

*"I would like to serve, but I am unsure where to start."*

**We have a wide range of volunteer opportunities for you at Wesley. If you prefer a quieter volunteering position, you may consider joining a ministry that does not require its volunteers to meet in bigger groups to serve, for a start. For example, you can volunteer to arrange books at the BookNook, write an article for the Church newsletter, take sermon notes or help the Children's ministry by painting some props.**

Go to the Lord in prayer and ask Him to reveal which areas He would like you to serve in. And please feel free to reach out to us at [commswesley@wesleymc.org](mailto:commswesley@wesleymc.org) today! ■
