

NEW DISCIPLESHIP AND NURTURE CORE SERIES

WHY?

The Discipleship and Nurture Ministry has put together a new course curriculum. It seeks to guide us to a holistic understanding of the Christian faith and participate in the rhythm of the Christian life.

WHO?

These courses are suitable for anyone who wishes to deepen their understanding and application of the Christian faith. We welcome both young and old; new believers and mature Christians!

WHAT?

The courses in this curriculum fall under three categories:

- A. Basic Christian Beliefs
- B. The Christian Life
- C. History of Christianity

Each course typically consists of 3 to 4 sessions—the duration will vary depending on the topic.

A. Basic Christian Beliefs

Our basic beliefs are not just things we believe in for old times' sake. Together, they create a reality in which we dwell—a reality which determines how we live and do ministry.

Courses under this section seek to answer questions like who God is, how He saves us, what the church is and what will happen at the end of history.

B. The Christian Life

John Wesley taught that God has instituted “means of grace”. These are human actions which serve as channels through which God conveys his grace to us.

The courses in this category help us understand what these “means of grace” are and how we can inculcate them in our lives. They cover disciplines like prayer, reading the Bible, worship and service.

C. History of Christianity

Understanding the history of our faith helps us appreciate where we came from and how we arrived at where we are. Our rich history contains valuable lessons which speak powerfully to us today.

The courses in this section cover the major periods of our history, like the patristic era, the Reformation and our modern age.

WHEN?

This new curriculum will commence with the first course offered in Aug 2022. These are the courses planned for the rest of this year:

Look out also for our courses in 2023 and beyond. Come and join us on this discipleship journey, as we explore our Basic Christian Beliefs, the Christian Life and the History of Christianity!
